

Example of The Beginning of the Report

The Fishing Equipment physical shop

We use “...” or “X” to mark that there would be more text, perhaps a name or ...

We use side breaks after each part, so if it looks empty below go to the next page.

The Summery is not included here (see its own task) but should be inserted later and the end of this Beginning.

This is just an example

IMPORTANT NOTICE

The content of this document (the Project Report) has been prepared by The Fishing Equipment Company (the Company) solely for use by recipients in considering their interest in the Company.

The Project Report is being distributed on the basis that each person in the This Country, or elsewhere, to whom it is issued is reasonably believed to be a person who (i) has professional experience in matters relating to investments and who falls within the category of person (Investment professionals) or (ii) falls within the category of person (High net worth companies, unincorporated associations etc) of the relevant Financial Services and Markets Laws of this country (Financial Promotion), or is a person to whom the Project Report may otherwise lawfully be distributed. Accordingly, the Project Report is exempt from the general restriction on the communication of invitations or inducements. Persons who do not fall within the above descriptions may not act or rely upon, and the Company will not engage them in respect of, the information contained herein.

The Project Report is not to be disclosed to any other person. Information contained in the Project Report is confidential information and the property of the Company. It and any further confidential information made available to any recipient must be held in complete confidence and documents containing such information may not be reproduced, used or disclosed without the prior written consent of the Company.

The Project Report shall not be copied, reproduced or distributed in whole or in part at any time without the prior written consent of the Company. While the information contained herein has been prepared in good faith, it has not in any way been independently verified and neither the Company nor any of its shareholders, directors, officers, agents, employees or advisers give, have given or have authority to give, any representations or warranties (express or implied) as to, or in relation to, the accuracy, reliability or completeness of the information in the Project Report, or any revision thereof or of any other written or oral information made or to be made available to any recipient or its advisers (all such information being referred to as Information) and liability therefor is expressly disclaimed. Accordingly, neither the Company nor any of its shareholders, directors, officers, agents, employees or advisers take any responsibility for, or will accept any liability whether direct or indirect, express or implied, contractual, tortious, statutory or otherwise, in respect of, the accuracy or completeness of the Information or for any of the opinions contained herein or for any errors, omissions or misstatements or for any loss, howsoever arising, from the use of the Project Report.

The Project Report is not a prospectus and does not constitute or form any part of any offer or invitation to subscribe for, underwrite or purchase securities, nor shall it or any part of it form the basis of, or be relied upon, in any way in connection with any contract or investment decision relating to any securities or indebtedness of the Company. Neither the issue of the Project Report nor any part of its contents is to be taken as any form of commitment on the part of the Company to proceed with any transaction with the recipient and the right is reserved to terminate at any time any discussions or negotiations with any recipient. By accepting delivery of the Project Report, the recipient agrees to return it to the Company at its request. In no circumstances will the Company be responsible for any costs, losses or expenses incurred in connection with any appraisal or investigation of the Company by a recipient.

The Project Report does not purport to contain all the information that recipients may require in relation to their assessment of the Company. The information in the Project Report is selective and is subject to updating, expansion, revision and amendment. In furnishing the Project Report, the Company does not undertake or agree to any obligation to provide the recipient with access to any additional information or to update the Project Report or to correct any inaccuracies in, or omissions from, the Project Report which may become apparent.

The Project Report should not be considered as the giving of investment advice by the Company or any of its shareholders, directors, officers, agents, employees or advisers. Each recipient must conduct its own investigation and analysis on, and make its own independent assessment of, the Company after taking such advice as it may deem necessary.

The Project Report includes certain estimates, projections and opinions with respect to the anticipated future performance of the Company. Any such estimates, projections or opinions reflect various assumptions made by the management of the Company concerning anticipated results, and necessarily involve significant elements of subjective judgment, analysis and assumption which may or may not prove to be correct and each recipient should satisfy itself in relation to such matters.
