

Business Tools Examples List for Project report

Please note that this is an example to give you some ideas about it. Its not a complete list even for the theoretical project we take up as an example, but as said it should give you a hint on what to put in your list. This is a very short example list, and in reality, need some extra text to explain each point much better. This example is just to get you a ruff idea, then you develop properly as per your own projects needs.

Example

Company selling branded surplus stock via Internet within European Union. *(Its free to sell branded goods within Europe as long as it is purchased properly in Europe. But for many other countries its not allowed.)*
